FOOD

FROM THE KITCHENS OF MARTHA STEWART LIVING

Dear *Everyday Food* Subscriber:

Thank you for being part of the *Everyday Food* family of subscribers. From the very launch of our digest-sized magazine in 2003, our mission has been to provide our audience with practical and inspiring answers to the eternal question, "What's for dinner?" And we continually look at ways to enhance and improve the way we deliver these answers. With that in mind, we are expanding our presence beyond print. In addition to the "*Everyday Food* with Sarah Carey" video newsletter that is delivered straight to your inbox every weekday, our content will also be available on our *Everyday Food* YouTube Channel, via AOL On and more. Now, it will be easier than ever for you to access our recipes on the go and find our great *Everyday Food* content across multiple digital platforms whenever and wherever you need it.

We are also changing the way we distribute *Everyday Food* in print. The enclosed December 2012 issue of *Everyday Food* magazine will be the last published as a stand-alone print edition. Going forward, we plan to include some of our great *Everyday Food* content in a free supplement that will be included with all subscriber copies of *Martha Stewart Living* five times per year, beginning with the March 2013 issue.

In place of *Everyday Food*, the remainder of your subscription term will be fulfilled by *Martha Stewart Living*, our award-winning flagship magazine that has been inspiring readers (and home cooks) with beautiful, creative lifestyle content, including excellent food and entertaining ideas, for more than 20 years. If you are already an active subscriber to *Martha Stewart Living*, we will extend your subscription term by the appropriate number of issues.

You can expect to receive your first issue of *Martha Stewart Living* within the next few months and if you are not already familiar with the magazine, we hope that you will be excited by what you discover in its pages. In the meantime, we encourage you to sign up and enjoy “*Everyday Food* with Sarah Carey” online or visit our YouTube Channel at <http://www.youtube.com/user/everydayfoodvideos>.

Thank you for your continued interest in *Everyday Food*. We are honored to be a resource for you and your family, providing mealtime solutions each and everyday.

Sincerely,

Martha Stewart,
Founder and Creator of *Everyday Food*
